

Spanish Fork High School

CONCURRENT ENROLLMENT 2024-2025

Through UVU, some high school courses offered at Spanish Fork High School allow students to receive high school **and** college credit. Several steps must be taken to enroll in eligible courses at UVU:

1. The student must be admitted as a student to UVU and pay a one-time \$35 admissions fee to UVU. Information on how to apply for admissions is available at <http://www.uvu.edu/concurrent>
2. A few days after completing the admissions application, the student will be e-mailed a UVID number. The student can then go to <https://my.uvu.edu/> and sign up for classes. CRN#s for courses can be found below.
3. After registering, use the <https://my.uvu.edu/> portal to pay the \$5.00 per credit hour tuition.

If the student decides to drop the class after enrolling, he/she must **OFFICIALLY WITHDRAW USING MY.UVU.EDU WITHIN THE FIRST 3 WEEKS OF CLASS**. Concurrent enrollment classes cannot be dropped after the college deadline. **IF A STUDENT DOES NOT DROP THE COURSE AFTER THE GIVEN DEADLINE, A FAILING GRADE WILL BE RECORDED ON THEIR COLLEGE TRANSCRIPT THAT CANNOT BE REMOVED.**
